Recommendations & Follow-up

Reiterated Equity Recommendation Schlumberger

Schlumberger

Close to a **double bottom**

...when oil prices are weaker but **still 62% higher** than the previous bottom

Inescapable actor in the oil sector offering a **complete range** of solutions

A very contrarian call but the current situation is giving it a lot of potential upside

3.5% dividend yield at these levels

Anticipation of the **next results** in October could be short term catalyst

Buy reiterated, 12m target **USD 85**

SLB Price over 5Y
